

**NOTE:** The information provided in this PDF (as well as others) is being put forward for the purpose of responding to --and correcting -- the **false** and **reckless** public statements made by **S.C.** on the **Bethlehem, NH Local USA Chat** Facebook page. The allegations concerning the unlawful acquisition of tools by Dave Reilly (and the alleged resale of stolen tools by his wife in a harassing private/direct Facebook message to her) is **utterly ridiculous** and **libelous**.

That said, between **January to December of 2025**, Dave Reilly purchased thousands of dollars worth of tools from the Littleton, NH Home Depot, as reflected on the receipts included in this document. **Furthermore, the itemized list below (and the authentic tool receipts that follow it) represent only the tool purchases from Home Depot during the aforesaid time frame, and does not even closely constitute a complete accounting of tools Dave Reilly purchased during 2025 elsewhere, as well as over the past decade.**

**A summary of the tools on the Home Depot receipts on pages 3-37 of this document appears below and on the following page. The summary does not include construction materials and other consumable items listed on the receipts--only TOOLS:**
